Students dash to classes, gossip in the

Studious Lancers are seen bent with study in our modern library, bound to their books by the same quest for knowledge felt by this medieval monk, as he labors to translate an ancient manuscript.

HERITAGE OF DEMOCRACY

Our Lancer Heritage is manifest in all facets of life at Hilltop, but nowhere is it more important than in our inheritance of the faculty administration and student body government: the very pillars of our democratic ideals.

The roots of our Heritage of Democracy can be traced back centuries to the signing of the Magna Carta in 1215 at Runnymede, England. Since the dawn of this free way of life, its preservation and continuance have depended largely on our educators as they teach and stress the importance of our way of life.

We, as students, have lived in the light of democracy throughout our lives. As we practice our self-instituted and self-administered government, we develop and learn the responsibilities of the free way of life, thus preparing our generation for its destined place in the ranks of the nation.

TRATION

MR. FRED N. MAHONEY

PRINCIPAL

As principal of Hilltop High School since its inception, Mr. Fred Mahoney has established himself as a model of competence in accepting the never-ending responsibilities facing a high school principal.

Mr. Mahoney's chief job is to lead and direct the student body and faculty administration; in his four years as principal of Hilltop, he has tackled this job willingly and enthusiastically. Despite his busy schedule fulfilling administrative obligations, he is consistently willing to put

the student's welfare first. He is often seen talking to students and inspecting projects around the campus.

Always laboring to promote Hilltop's excellence in scholastic and extracurricular fields, Mr. Mahoney's calm determination and quiet sense of duty have certainly gained him the respect of both the Lancer student body and the community.

MRS. GLADYS HARTZELL

GIRLS' VICE-PRINCIPAL

Getting to know the girls at Hilltop was Mrs. Gladys Hartzell's first task here. She shared their problems and their joys. Coming to Hilltop from Merced Senior High School, Merced, California, Mrs. Hartzell capably stepped into her position as Girls' Vice-Principal.

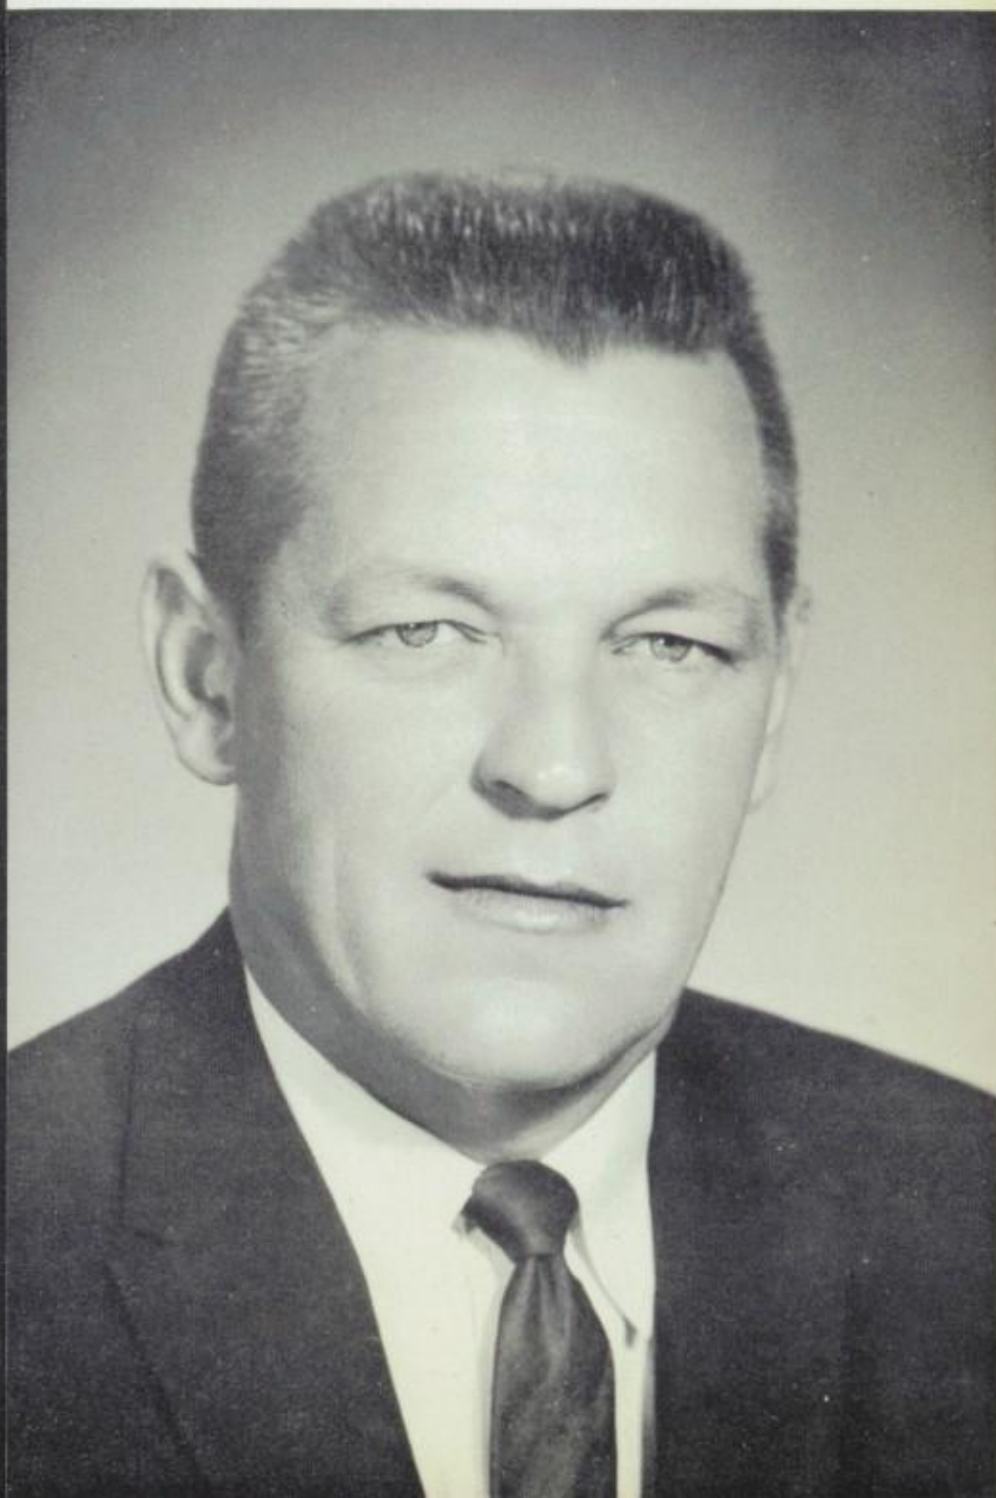

Mrs. Hartzell was busy as the advisor of Girls' League and co-ordinator of all doughnut sales. She is also co-advisor of the California Scholarship Federation.

MR. ROBERT GEYER

BOYS' VICE-PRINCIPAL

Mr. Robert Geyer, Boys' Vice-Principal, was very busy around the school this year. One of his many activities was to screen the members of all athletic teams. He could be seen at every game rooting the Lancers to victory.

Mr. Geyer's primary duty was to assist Hilltop boys in their school work and extracurricular activities, and at the same time, help them to prepare for the future.

SWEETWATER DISTRICT

Mr. Joseph Rindone
Superintendent

BOARD OF

TRUSTEES

Through the expert planning and leadership of the District Superintendent, Mr. Joseph Rindone, and the highly qualified Board of Trustees, the Sweetwater Union High School District has successfully met the many problems facing it. These problems include the increased expansion of the District and the large number of students coming into the area. One of the major tributes to the fine work done by the Board of Trustees is the realization of a fifth major secondary school in the Sweetwater District, Castle Park High School.

Members of the Board are Dr. Morris Hayes; John W. Gardner, Jr.; Dr. Bernard C. Schemmer; Edgar O. Rogers; and Frank L. Whittington.

FACULTY

The faculty has many responsibilities other than classroom teaching and supervision. One of these duties is that of student supervision at extracurricular functions. Here we see faculty members watching one of Hilltop's exciting pep assemblies.

The secretaries in the attendance office were called on to perform many various duties, which they did with ease. These duties ranged from making out green call slips to keeping the files of each individual student in order. The secretaries from left to right are Mrs. Hoffman, Mrs. Lichtenberger, and Mrs. Matweecha.

Although not directly concerned with the students, the main office secretaries were kept busy. Their main concern is the business end of Hilltop. They are from left to right Mrs. Brewton, Mrs. Smith, and Mrs. Olinger.

SCHOOL

STAFF...

Keeping Hilltop neat, clean, and running well is the job of these nine custodians. They include from left to right Fred Bethel, Marvin McQueen, John Lindquist, Louis Garnett, Walter Osburn, Joe Krall, Floyd Arney, and Woodrow Scarborough.

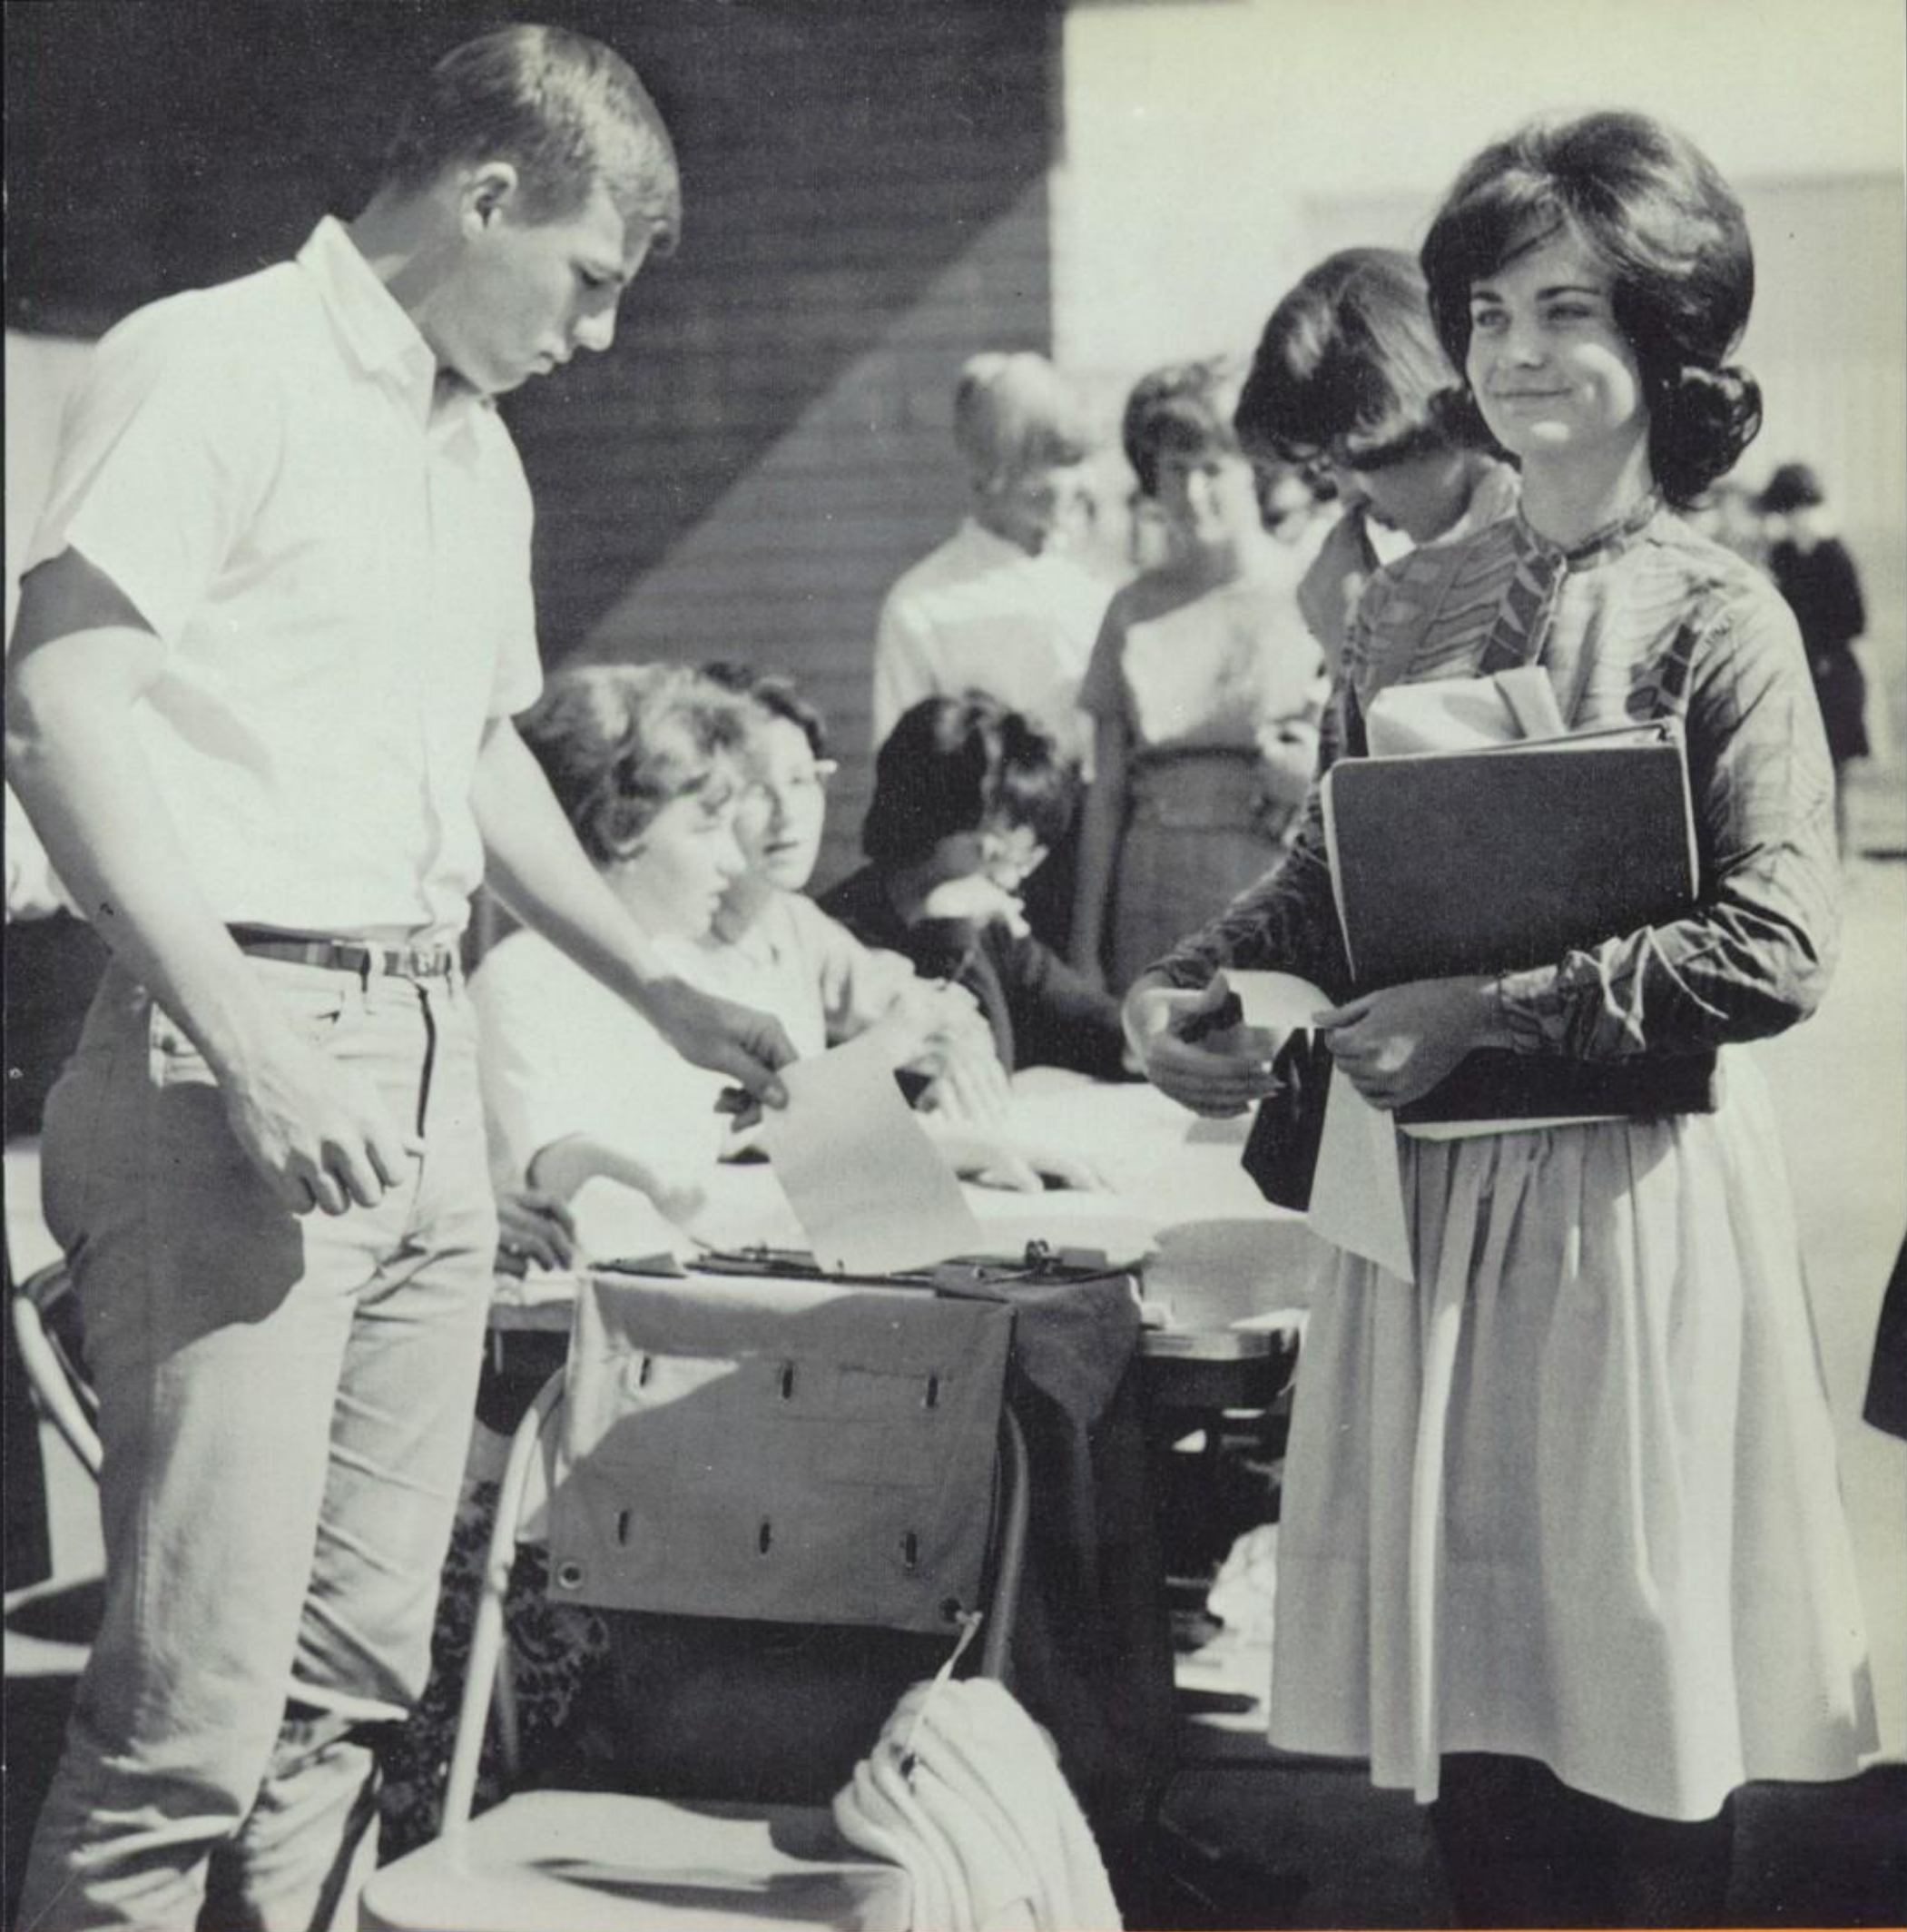

Getting the Lancers to school on time and back home again safely is the duty of these capable men. They are from left to right John Turner, Jimmy Moulton, Pat Morey, O. R. Brown, Louis Fardenger, Harold Lindermoud, and Leo Flanders.

.....SCHOOL STAFF

The cafeteria workers are from left to right Mmes. Alice McCann, Ann Beitzl, Helen Boudreau, Peggy Watson, Pat Doyle, LaVona Duncan, Sophia Majchrzak, and Ruth DuPlant. Planning, making, and serving the hot lunches, served in the cafeteria and lunch area, kept these ladies active during the year.

STUDENT GOVERNMENT

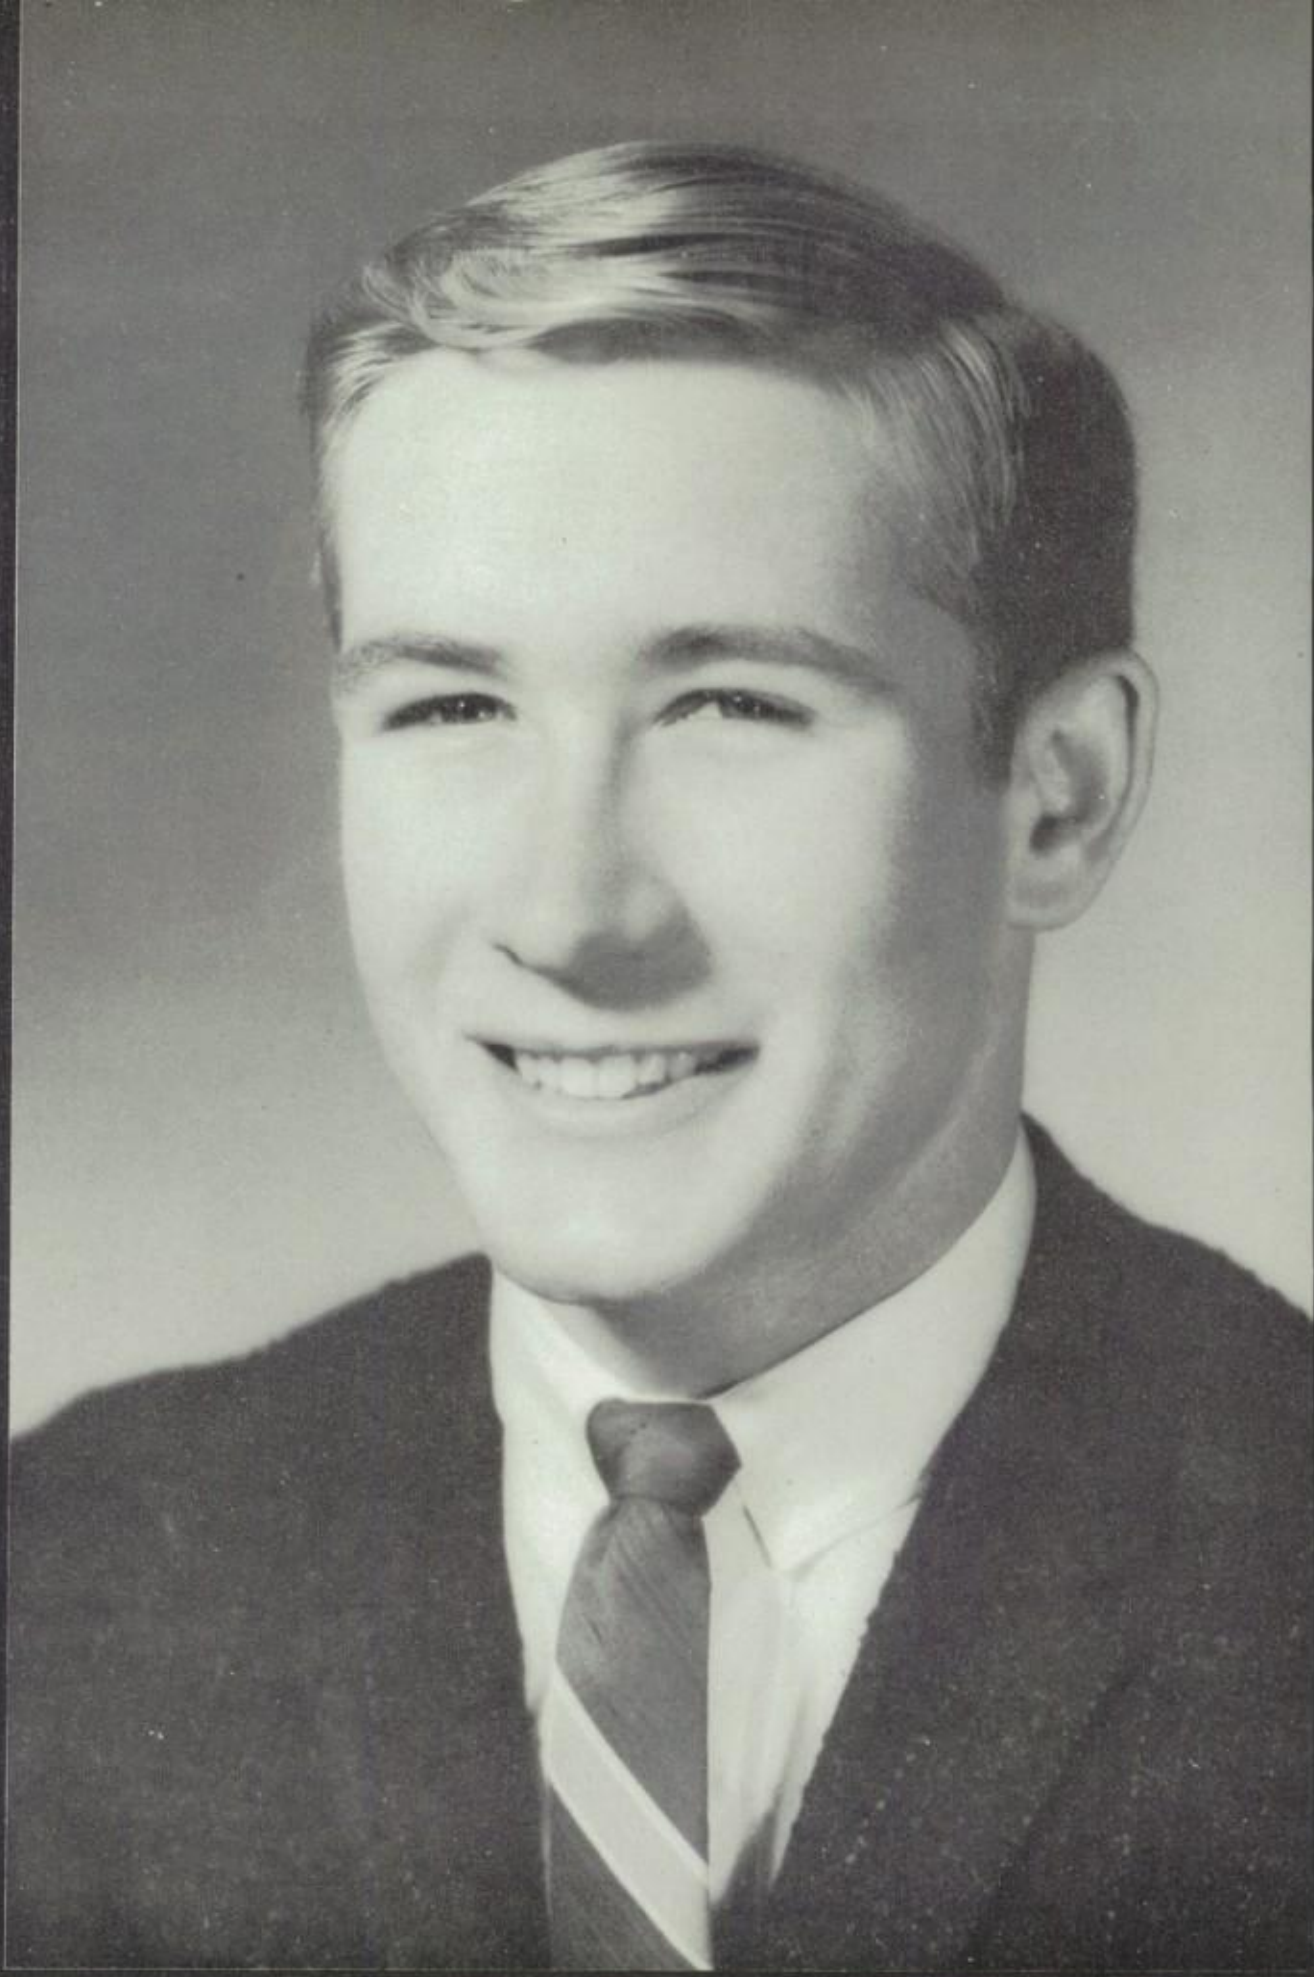

The responsibility of student government falls directly on the shoulders of every Hilltop student. Here we see members of the Senior class accepting this duty as they vote for Second Semester Senators.

One of Keith Skaug's most important duties is presiding at Senate meetings.

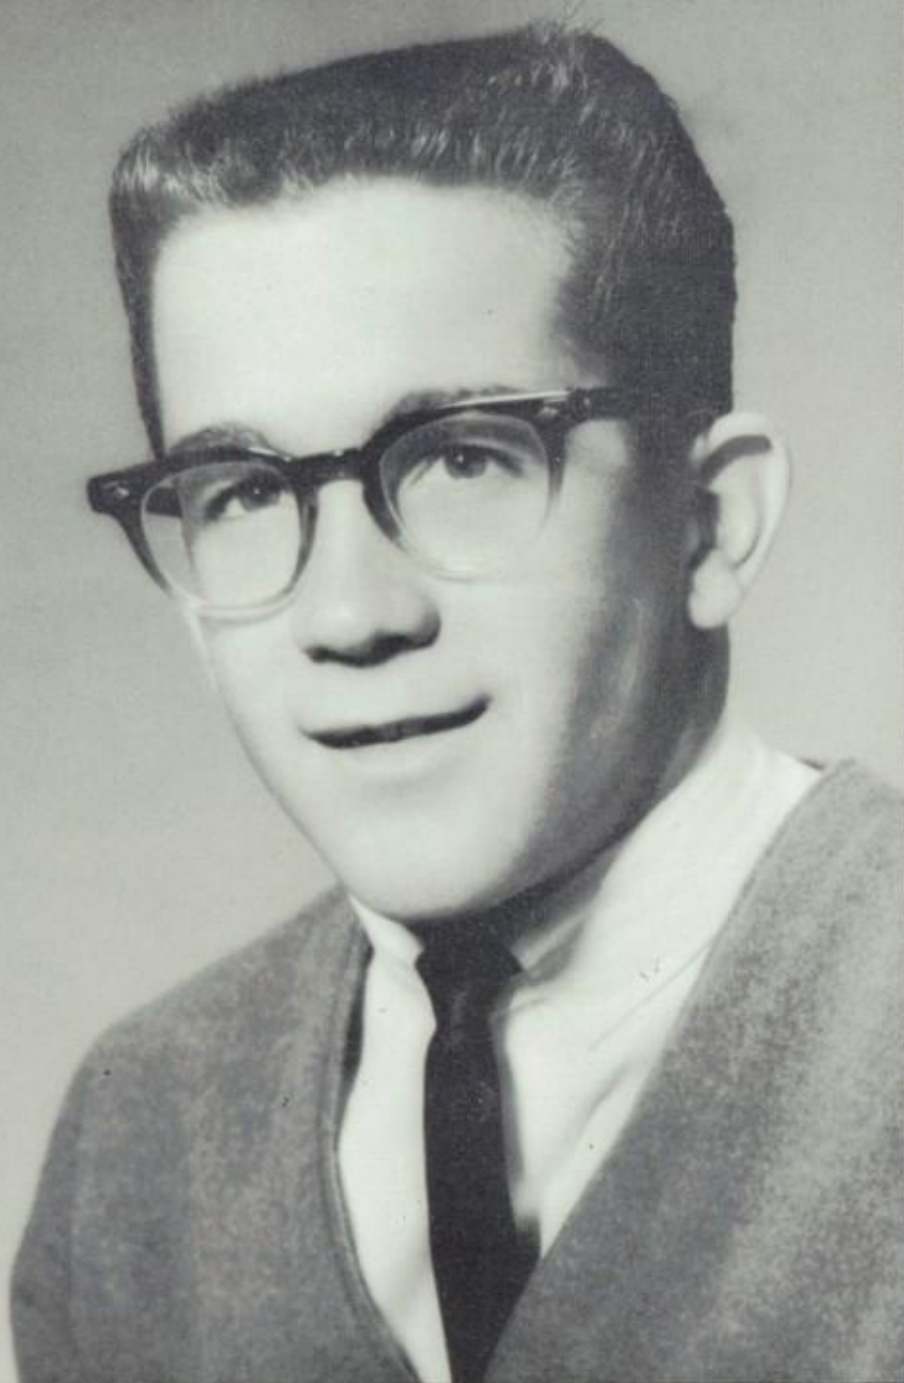

As Keith Skaug stepped forward to accept the A.S.B. President's gavel, he also stepped forward to accept the honors, prestige, and responsibilities associated with this position. Keith has admirably accepted these challenges and responsibilities, and has upheld the traditions of his office with dignity.

The A.S.B. President is probably one of the busiest students around the campus. His duties include presiding over Senate meetings and representing Hilltop at various civic functions. In addition, he has many other extracurricular activities. He was a Senator, C.S.F. Vice-President and Sealbearer, a member of the Key Club, an honorary member of the Chula Vista Rotary Club and the American Field Service, and a member of the football, wrestling, and track teams.

KEITH SKAUG

A.S.B. PRESIDENT

DON MONTELL

A.S.B. SECRETARY

Don Montell, in his election to A.S.B. Secretary, broke a number of Hilltop traditions. First, he was the first junior to be elected to an A.S.B. office, and secondly he was the first boy ever to hold the office of A.S.B. Secretary.

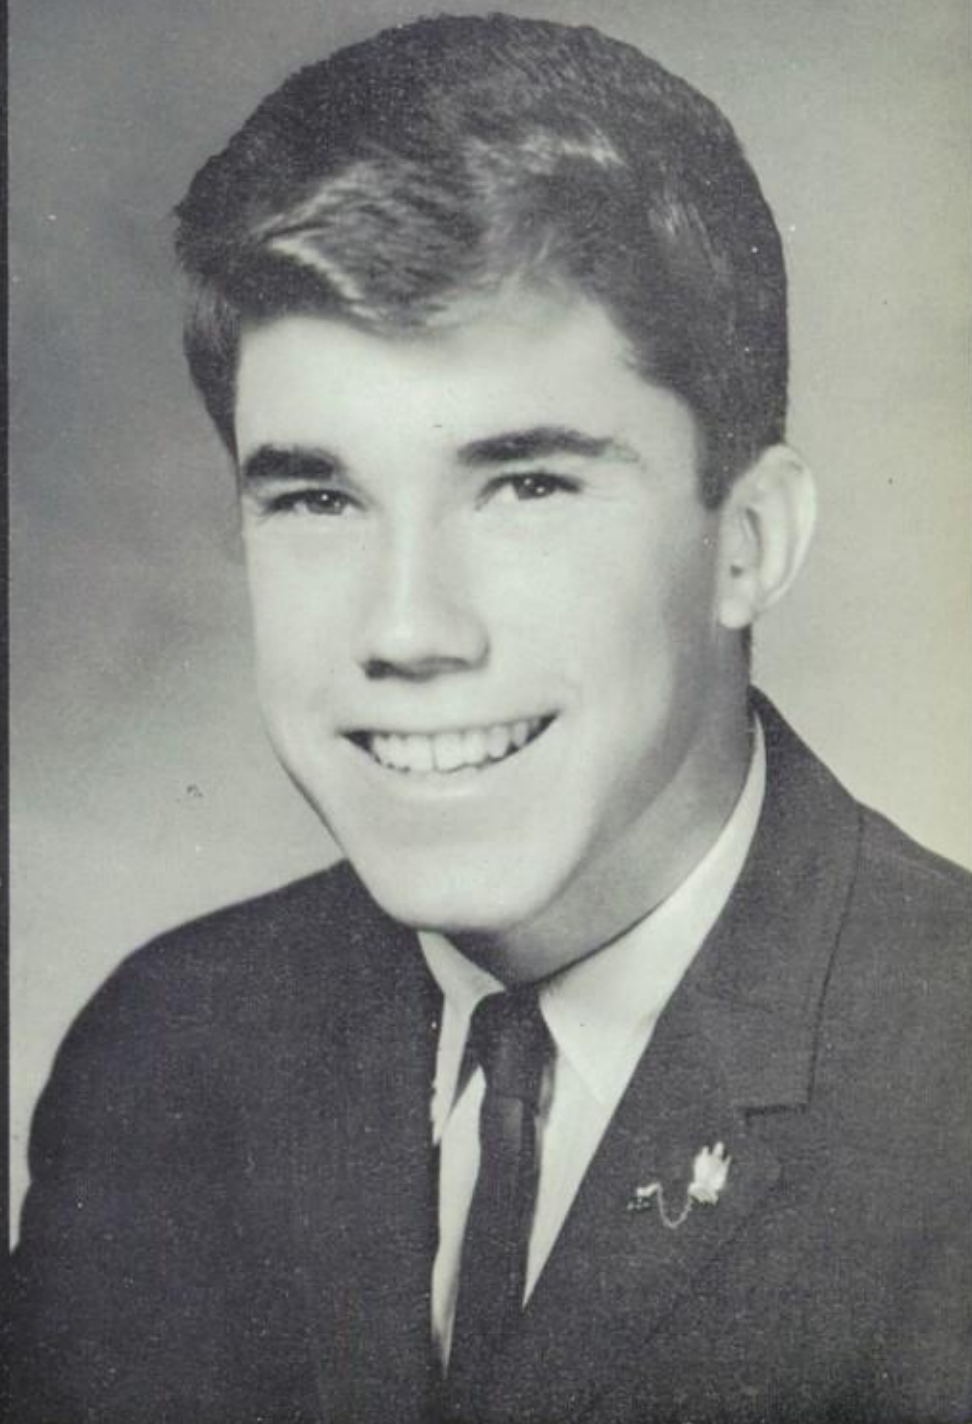

Don's duties include keeping records and minutes of all Senate proceedings and handling all official correspondence. Don is a member of the Key Club, the track team, and represented his class in the Senate as a Sophomore.

JOHN SWEETEN

A.S.B. VICE PRESIDENT

Culminating a very active two years at Hilltop, John Sweeten was given the distinction of being elected to the A.S.B. Vice-Presidency. This position carried with it numerous duties and responsibilities. These include presiding over the Inter-Club Council and the newly formed House of Representatives, and serving on various Senate committees.

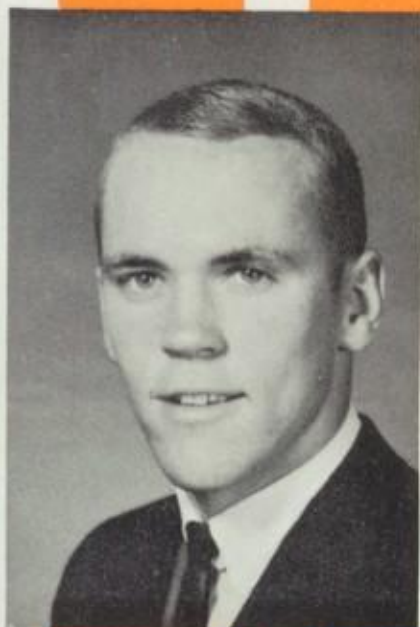

During his sophomore and junior year, John was active in the Senate, C.S.F., and the Key Club. His senior year brought C.S.F. Life Membership and captaincy of the JV Football team. For three years John has been a participant on the Varsity Wrestling team.

SENATORS

The Senators and Ambassadors functioned as a closely knit body, determining the policies for student politics at Hilltop. They carefully planned activities and improvements which included raising money to plant trees around the Junior-Sophomore Lawn, relocating the Victory flag pole so that more students could enjoy it,

assisting with Project Amigos, and making the annual Christmas and Easter parties a memorable event for many needy children. They also instigated dances and other activities throughout the year. Mr. Robert Brelsford capably guided them in all of this.

HOUSE OF

Mr. Robert Brelsford
Advisor

A big first was added to Hilltop this year, the House of Representatives. It gave our student government a more democratic outlook. The object of the House was to promote class union for improvement of student body affairs and to provide more direct representation. One representative from each advisory made up the membership. The members discussed suggestions for bettering Hilltop and attempted to solve any problems that arose. Recommendations passed by the House went on to the Senate, which made the final decision.

A.S.B. LIFE MEMBERS

A.S.B. Life Membership is the greatest honor a graduating Senior can receive; this honor is annually awarded to one out of every twenty-five members of the Senior Class and is based on student service to the school. Life Members are selected by both faculty and student vote.

Seventeen Seniors were honored with the gold A.S.B. card signifying membership this year. This card entitles Life Members to free admittance to many Lancer activities and to Student Body membership.

HERITAGE OF ACHIEVEMENT

As the Class of 1963 approaches the final step of graduation, they leave behind them not only fond memories, but an outstanding record of achievement in scholarship and leadership. The Senior year is the culmination of many years of study and also the climax to many accomplishments. It is for many, the final step on the ladder of schooling, and for others it is the commencement of a further career in education.

The Seniors have striven to reach the goal of graduation just as the squires and pages of the romantic Age of Chivalry have labored to attain the cherished honor of knighthood. The tremendous significance of knighthood is reflected in the pride and honor shown by Seniors as they approach graduation.

One of the highest academic awards received in high school is the California Scholarship Federation Sealbearer's Award. In order for a student to receive this, he must be a member of C.S.F. for four semesters, including one semester of his Senior year. In rewarding these twenty-nine students for their achievement, a gold seal is imprinted on their diplomas and a gold tassel is worn on their cap at graduation.

COUNSELLOR

Through the excellent supervision of Mr. George Livermore, the Class of '63 is ready and willing to face their future with great enthusiasm. His patience and guidance has led the Seniors to a greater understanding of their

college educations and futures to come. Each member of the Class of '63 will always remember Mr. Livermore among their fond memories at Hilltop High.

OFFICERS

Leading a Senior Class as large as the Class of '63 proved very challenging to its officers, Bob Kent, president; Pete Rombold, vice president; Sharon Boyer, secretary; and Judy Bush, treasurer.

Perhaps their biggest job was the collection of Senior Dues, which were used for the Senior

Prom, Ditch Day, Banquet, and gift to the school.

Under the leadership of the Senior Class Officers, the various committees were formed and carried out the numerous duties assigned to them in order to make the Class of '63 the most commendable class that Hilltop will ever see.

Our Heritage from Hilltop has been a wealth of knowledge . . . Shakespeare . . . world affairs . . . U.S. Constitution; our Heritage is also the principles of good citizenship, leadership, and the desire to help make the world a more wonderful place in which to live. From Hilltop, however, we have also gained the most valuable memories of our lives. Our Senior Year has sparked with memorable and exciting experiences. Years from now, the knowledge we have obtained from our teachers may have faded, but our remembrances of this year will forever echo in our hearts and minds.

As each of us fondly glances over the vestiges of our Senior Year . . . permanently creased football programs . . . smeared pep ribbons . . . crepe paper streamers from dances . . . scroll notes from civics . . . prom bids . . . we will always associate these tangible evidences with our intangible memories . . . the experiences and emotions of our Senior Year.

We will look back and visualize our experiences at Hilltop . . . classroom work . . . the Howdy Dance . . . the Sr. Splash Party . . . Homecoming festivities . . . Metro League Championships . . . physics lab . . . the Girls' League Formal . . . vacations . . . the All-District Dance . . . assemblies . . . marching in the Band or Lancerettes . . .

MEMORIES

speech tournaments . . . club activities . . . college boards . . . the Varsity Show . . . the Inter-Class Track meet . . . elections . . . vocal workshops . . . the Jr.-Sr. Prom . . . term papers . . . Tournament Day . . . Sr. Ditch Day . . . and then with a flourish, our Senior Year rolled to a climax with the Sr. Prom, Sr. Banquet, Vespers and, finally, Graduation.

As the strains of "Pomp and Circumstance" float over Hilltop High, we, the members of the Senior Class look fondly backward over our experiments and discoveries—our growth and developing—our remembrances of the past. We face life with high hopes for the future, but we shall always treasure our Senior Year and our SENIOR MEMORIES.

HERITAGE OF LAUGHTER

The activities at Hilltop provide enjoyment for interested students and help to develop talents in many fields. Lancer organizations are designed to present a well-balanced range of activities to the entire student body. In addition, they aid students in cultivating their special abilities and in promoting social relaxation. These activities provide the foundation for broadening student perspective for adult life.

The medieval fair was a source of relaxation and enjoyment for the citizens of the Middle Ages; from their love of gaiety and mirth, we derive our Heritage of Laughter: a legacy shared equally by people the world over.

TIVITIES

Highlights of the Year

This year crowds of spirited fans turned out to see our team fight for victory. This football season was the most successful in the history of Hilltop.

Another first for the Lancers was our "Spirit Jug." Don Schatz, at the Sweetwater game, uncorks the Lancer spirit as the fans cheer Hilltop.

The Wrestling Assembly was presented this year to encourage Lancers to come to the matches. Bob Thoe (standing) and John Sweeten (flying) gave a special exhibition.

Mr. Mahoney helps promote Lancer spirit at the Homecoming assembly.

Students enjoy themselves at the Senior sponsored Splash Party.

After winning the Homecoming game the Lancer squad enthusiastically sings our Alma Mater.

The Hilltop C.S.F. hosted the fall C.S.F. Conference at Cal-Western. C.S.F. members presented "Rinse the Blood Off My Toga." Stars were, left to right: Joanne Fisk, Caesar's body; Peggy Clark, Calpurnia; Richard Sewell, Mark Antony; Rick Cook, Flavius Maximus; and Bob Cleere, Brutus.

QUEEN SHARON

Radiantly beautiful, Sharon Boyer ruled as a true queen over the activities of Homecoming in 1963. She was elected by the enthusiastic Hilltop High students who remembered her warm smile and friendly "Hi."

Sharon's auburn hair and green eyes were emphasized by her striking emerald green taffeta gown as she accepted the title of Homecoming Queen.

Richard Hathaway, a former varsity football player of 1962, was Sharon's escort through the activities of the halftime for Homecoming during the Hilltop-Escondido game.

The glow that danced across Sharon's face throughout the festivities clearly showed her happiness in being chosen Queen.

Queen Sharon was escorted by Richard Hathaway, a former Varsity Football player from the class of '62.

Her reaction is captured as the suspense is broken, and Sharon Boyer is announced Homecoming Queen of 1963.

As A.S.B. Vice President, John Sweeten, stands by as Sandi Erwin, last year's Homecoming Queen, crowns Sharon Queen of 1963.

At the Homecoming Assembly each candidate received a Mum corsage and was presented once more before the Student Body. They are, left to right, Linda Thornton, Kathy Powell, Diane Lewis, Sharon Boyer, and Susie Bell.

PRINCESS SUSAN BELL

Susan Bell, enthusiastic songleader of Hilltop, radiated her happiness as she took her place in the Homecoming Court. Wearing a light lavender nylon formal Princess Susie was escorted by Dennis Biletnikoff, a former Varsity Basketball player of 1962. Around campus Susie can be seen always in action, as she serves her school in the Senate or practices songleading for our games.

PRINCESS DIANE LEWIS

The delightful Letter-Carrier, and C.S.F. member, Diane Lewis, was chosen as a princess for Homecoming this year. Donning a vivid pink silk chiffon formal, blue-eyed Diane made a stunning princess. Her escort for the festivities was Lonnie Lee, a former Hilltop Varsity Basketball player and a graduate of 1962.

PRINCESS LINDA THORNTON

Enchanting and petite Linda Thornton stepped forth in a full length red chiffon formal, to take her place among the other candidates. Serving this year as a Senator, Linda could also be seen around school practicing her cheerleading. Squiring her during the half-time presentations was Jim Chew, one of Hilltop's former football lettermen.

PRINCESS KATHY POWELL

Brown-eyed Kathy Powell, arrayed in a turquoise silk chiffon formal, radiated to the audience her great delight in taking her place as a princess for Homecoming. This year Kathy served her school as a Senior Senator. Hilltop graduate and former football and basketball letterman, Jim Fischer served as her attendant for the evening ceremonies.

Adding to the usual Homecoming excitement, Mr. Rindone announced the installation of Hilltop's football lights in '63.

HOMECOMING ACTIVITIES

Past and present meet as our cheerleaders and songleaders cheer our team to victory.

At the Homecoming dance this year Queen Sharon was escorted by John Gambin; Princess Linda by Roger Burge; Princess Kathy by Gary Murra; Princess Diane by Joe Lawlor; and Princess Si by Terry Maple.

MARCHING GROUPS

With a record high enrollment at Hilltop this year, the marching and vocal groups flourished as they won new honors for Hilltop High School. Here we see representatives from the marching groups, the specialty groups, the vocal groups, and the Cadet Corps meeting to discuss and coordinate their many activities.

CADET CORPS

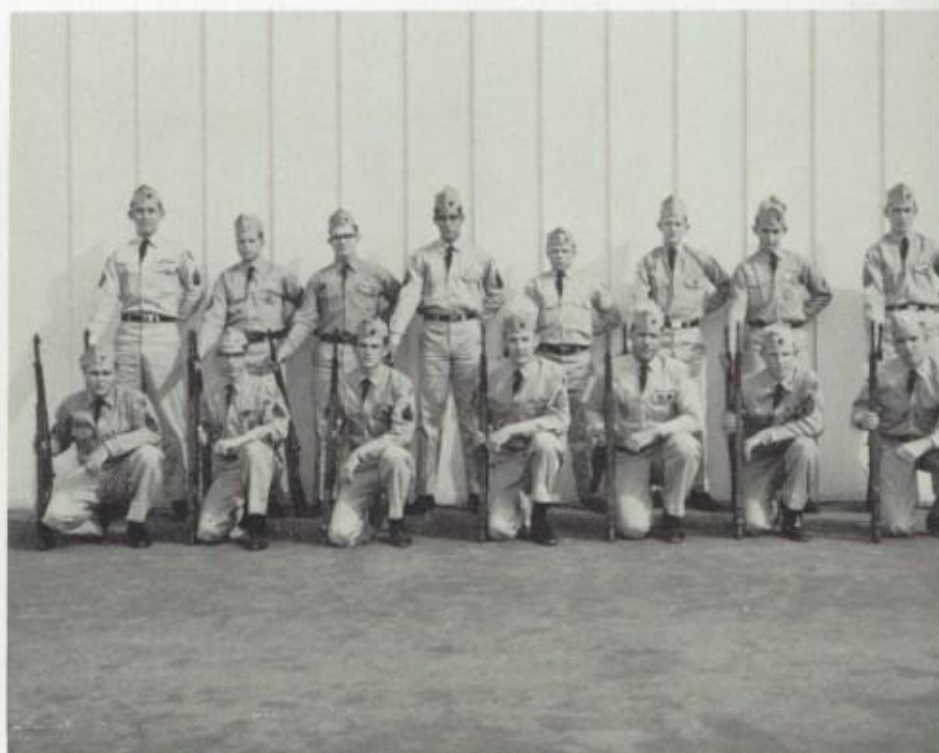

The Administrative Staff this year included, from left to right: Sgt. Bill Landreth, Platoon leader; Sgt. Rolla Rich, Platoon leader; Eddie Anderson, First Sgt.; Captain Larry Rogers; Glen Chapman, Executive Officer; Mike Crozier, Supply Sgt.; and Dennis Short, Clerk.

Larry Rogers
Company Commander

The Cadets of 291 Battalion, A Company, concentrated this year on their leadership and basic military requirements. The Rifle Team took part in Inter-School and State Preliminary Matches, while other cadets participated in Drill Competition between the schools in the Sweetwater District.

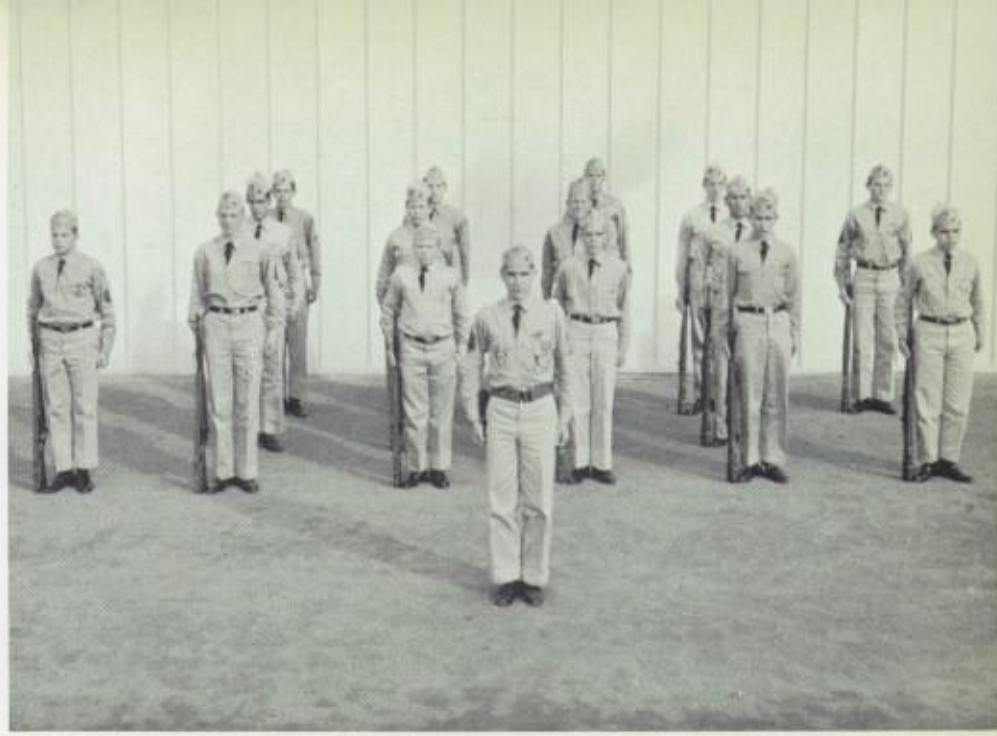

Under the leadership of Commandant Testa and Company Commander Larry Rogers, the cadets explored basic training in the various forms of military science and courtesy and concentrated on advanced first aid and personal fitness.

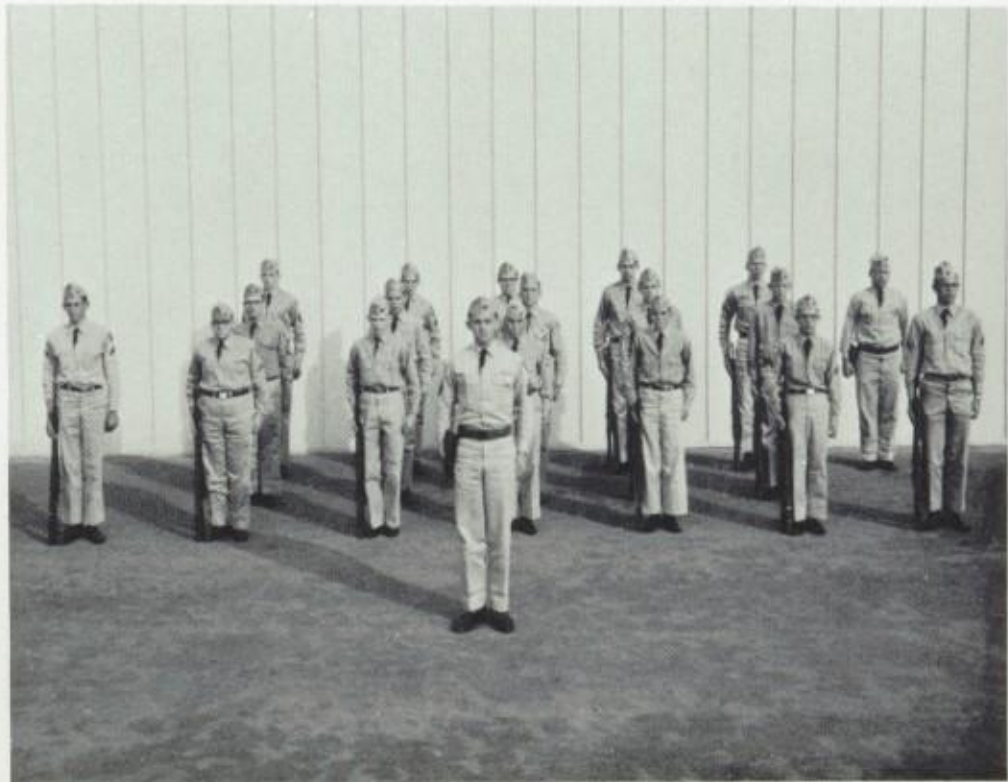

The Rifle Team this year represented our school in League Rifle Markmanship matches.

Mr. Testa
Commandant

The first platoon was led by Sgt. Rolla Rich.

The second platoon, commanded this year by Sgt. Bill Landreth.

Cadets of the Color Guard were, from left to right: Sgt. Alan Parish, Sgt. Glen Chapman, Sgt. Carl Sipes, and Sgt. Bill Landreth.

Members of the Ensemble this year were: Bill Landreth, Pam Robinson, Peggy Clark, Terry Couch, Tom Parham, Ted Grigg, Evelyn Bowers, Burt Tiffany, Donna Schauer, Gordon Ricketts, Susan Humble, Penny Jensen, Margo Litchfield, Penny Davis, and Lynn Iwashita.

ENSEMBLE AND ORCHESTRA

The Madrigals, a group of fifteen select voices, worked diligently on a wide scope of music this year. Their selections ranged from vocal chamber music to Negro spirituals and included seasonal selections.

The Madrigal calendar included Workshops, concerts, Choral Festivals, and all Choir performances. Some highlights of the year were the trips to San Diego and Los Angeles State Colleges and Mar Vista High for the district Choral Festival, which spotlighted Jester Harrison.

Ensemble officers this year were Peggy Clark, president; Terry Couch, vice president; and Lynn Iwashita, secretary-treasurer.

Mr. Bannon
Director

Performing at Christmas and again at the Spring Concert, the Chamber Orchestra displayed fine musical talent. The group, led by Mr. Bannon and composed of sixteen students, worked on a great variety of music this year ranging from serious, to folk music and comedies.

The Chorus is new at Hilltop this year. The purpose of this new vocal group is to provide an opportunity for interested girls to gain musical knowledge and experience. The Chorus performed at Christmas time with the Music department and again at the Spring Concert.

CHOIR AND CHORUS

This year's Lancer Choir was composed of 60 voices and directed by Mr. Henry Bannon. Highlights of the year included a Christmas Concert and Assembly, District Workshops, Festivals, and a performance at Senior Vespers, all of which rounded out a very busy and successful year.

This year's officers were President, Dana Wiggins; Vice President, Tom Parham; Secretary, Joyce Norman; Treasurer, Sandy Gorman.

MARCHING LANCERS

The "Marching Lancers," under the direction of Mr. William Padelford and Drum Major Royce Riffin, did much this year to boost Hilltop's already established marching reputation.

Aside from performing intricate half-time maneuvers at home football games, they brought honors to our school at three fall competition parades. Eighty-five strong, the Lancers captured the second place trophy in the San Diego Autumn Band Review, narrowly missing a trip to the Rose Parade awarded to the winner. They also took second place honors in the Arcadia Invitational Band Review. At the Long Beach All-Western Band Review, in competition with bands from all over California, they won first in the "B" Division. The record of the "Marching Lancers" in competitive parades this year was the best in Hilltop's history.

VARSITY SONGLEADERS

Immediately following a game, the Songleaders pause before leading our school in singing the Alma Mater.

Stephanie Pietruszka

This year songleading has taken a new role at Hilltop. The Songleaders have led songs instead of performing. During the summer the songleaders went to Camp at Redlands University, where they learned several collegiate routines. It was there that they made up the words to "Cheer Cheer" and adopted "Mr. Touchdown." This summer the Songleaders worked diligently every day to perfect their routines to perform at the football games. With the arrival of basketball season they spent many hours rearranging their routines to fit the spirited tunes of the Pep Band. Wearing green sweaters, and short pleated skirts, the Songleaders added a spark of life to our school activities.

VARSITY CHEERLEADERS

The 1962-63 Varsity Cheerleaders established a new tradition at Hilltop with their new style of collegiate cheerleading.

During the summer, the cheerleaders attended a cheerleading camp and this plus many hours of practice prepared them for a spirit-filled year of leading Lancer cheers.

The "Spirit jug" was introduced by the Cheerleaders and this kept Lancer spirit at a high all season. The "Ugliest Man on Campus" contest was also sponsored by the cheerleaders to collect money for Cheerleading camp. It proved very popular with the student body.

Working closely with the J.V. Cheerleaders were the sparkling J.V. Songleaders. These three girls spurred our Junior Varsity teams to victory countless times during the sports season with their peppy routines, songs, and chants.

HERITAGE OF CHALLENGE

Sports are prominent in the competitive spirit at Hilltop. Through our victorious Lancer teams, we have defended an honored name in sports. In addition, the student body has learned valuable lessons in sportsmanship and conduct.

The knights of medieval England have given us our legacy of competitive challenge. From these English forefathers, we have inherited our strong will to defend honor and position. Thus, we fight proudly for our ideals and principles, not only in sports, but throughout our entire lives. From the splendor of another era, the brave men of knight-hood have bequeathed to us our Heritage of Challenge.

HILLTOP TIES CHULA

Don Parish is assisted in dragging down Humphrey for little gain.

Parish makes a tremendous tackle with Roberts and Wilkinson coming to his aid.

The fourth annual cross-town fray between Chula Vista and Hilltop found 4,000 screaming fans witnessing one of the hardest fought grudge battles the two teams have ever played.

Hilltop took the opening kickoff but lost possession on the first play. Late in the first quarter the Spartans patched together a touchdown drive to go ahead 6-0 at half-time.

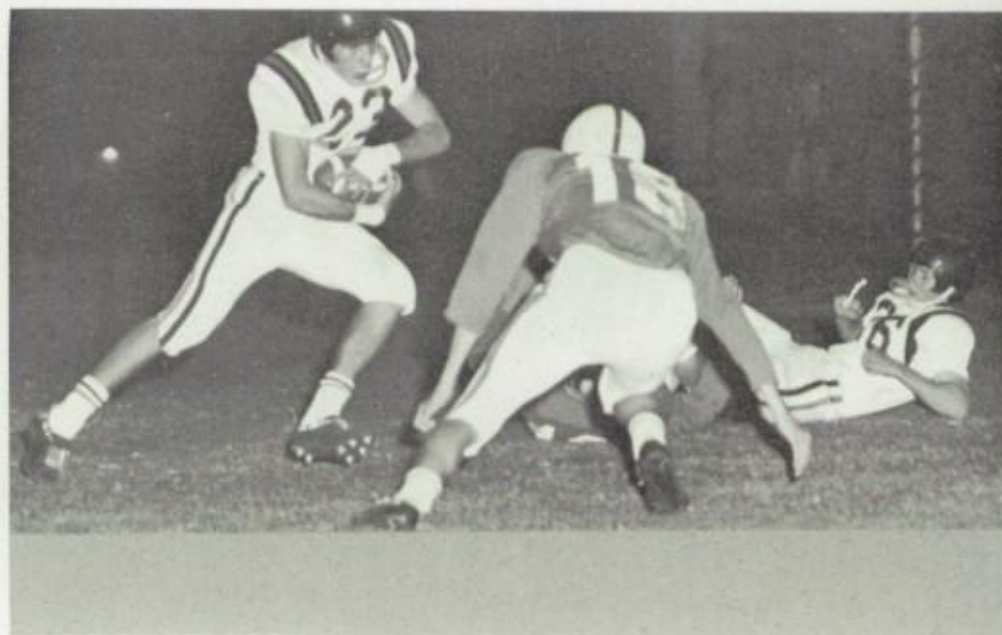

Following the second-half kickoff, Bob Hart went 80 yards for the Spartans' second tally. Receiving the ball once more, the Spartans, in two plays, scored another T.D. to lead 18-0.

With almost 4 minutes gone in the fourth quarter Don Parish carried a Spartan punt back 50 yards to the C.V. 12 yard line. On the first play, Jerry Hanano ran through the line for the necessary 13 yards and the Lancers were in the scoring column.

On a Spartan fumble the Lancers took over the ball on the 35 and drove 65 yards in 11 plays amid frantic screams from the crowds. With the score 18-12, and less than 4 minutes to go, the panic stricken fans swarmed down to the side-lines to witness one of the most spectacular sports events in the history of Hilltop High School.

A beautifully executed "Statue of Liberty" play followed. Gambin took the ball from Stetser's hands, found his interference and ran 55 yards for the closing touchdown of the ballgame. The conversion attempt, as were five others that night, was stopped.

It was a proper finish to one of the most brilliant demonstrations of "come from behind" football ever witnessed in the South Bay area, and leaves the matter of possession of the "Boot" a real question.

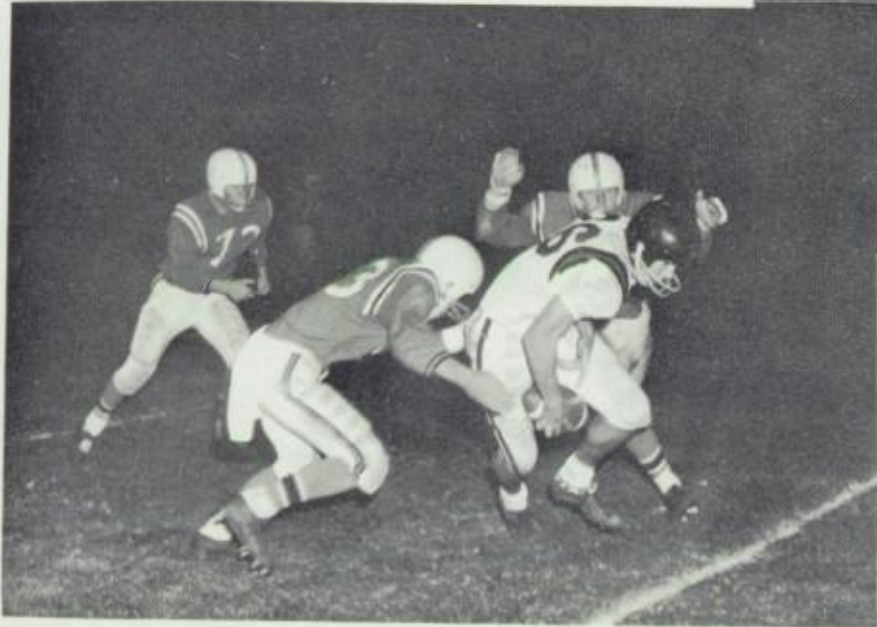

Stetser drives through for another Lancer gain.

Parish gains yardage with lots of room to run.

Hanano is on his way, dodging two men, and going strong.

KEEP THAT BALL!
With the odds three to one Wilkinson tries for another Lancer score.

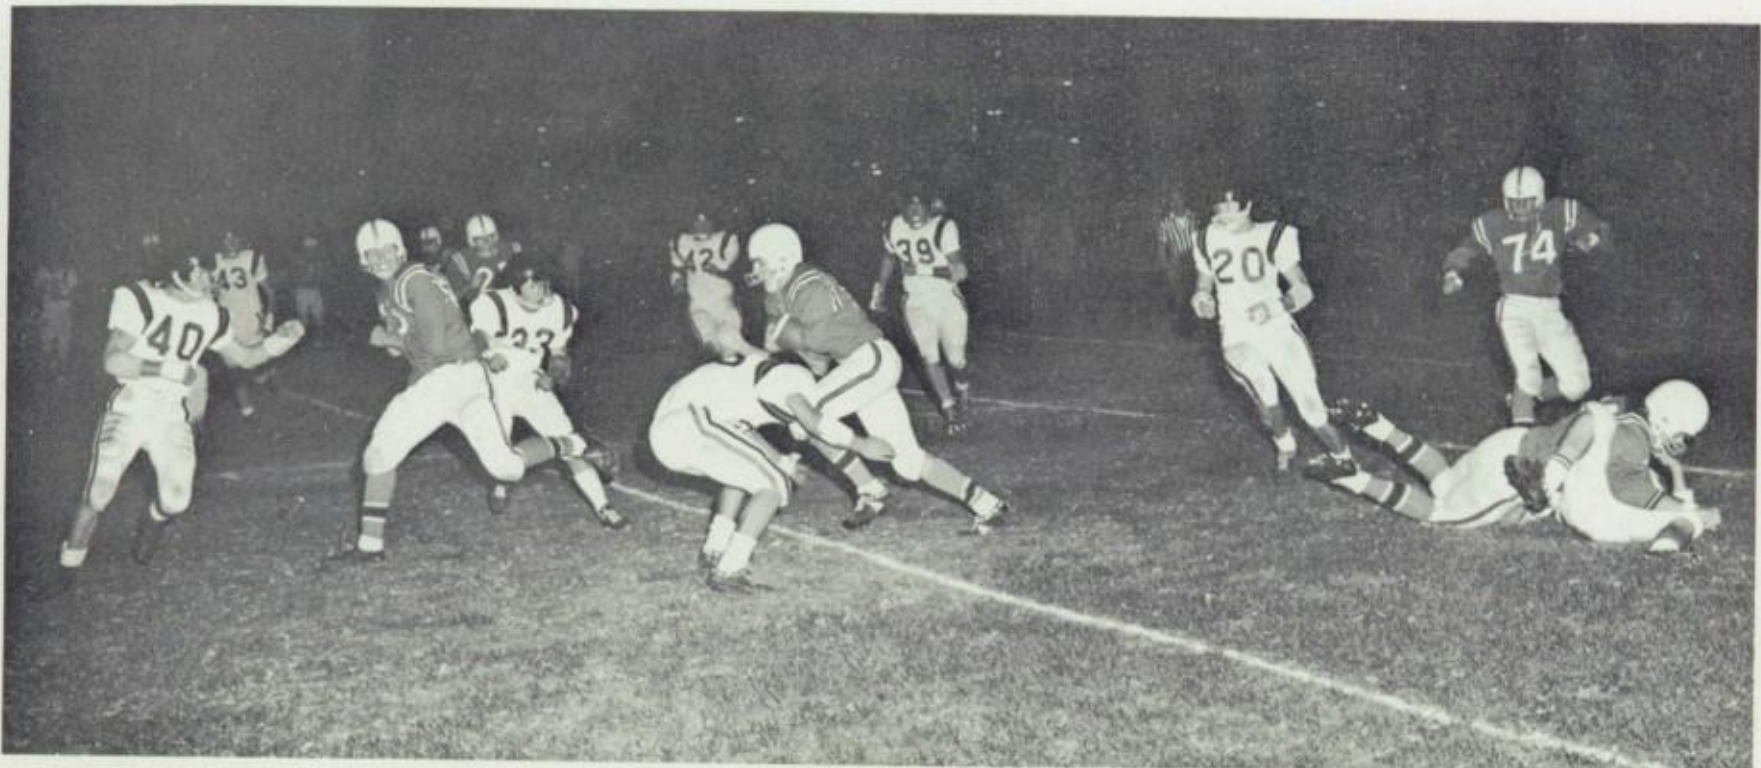

Hilltop's fighting eleven, inspired by a large homecoming crowd, blasted out an 18-13 victory over the Cougars from Escondido.

In the opening minutes the Lancers gave indications of a promising victory. The Hilltop Homecomers took a 6-0 lead with the sound of the opening gun still ringing in their ears. With three minutes left in the first quarter, the Cougars came back to tie the score 6-6.

Inspired by overwhelming cheers from the fans, the Lancers came back with a great "sleeper" play, but again Escondido scored to take the lead at half-time.

With tremendous support from the mammoth number of fans, the undaunted Lancer eleven came back after a half time breather to score twice again and take the game 18 to 13.

LANCERS TROMP ESCONDIDO

Marlowe, Hanano, and an unidentified player all help in stopping another score by Escondido.

HILLTOP WIPES KEARNY

John Gambin led the way as the fighting Hilltoppers tramped 70 yards down field for a touchdown in the final quarter to take command of a see-saw ballgame and upset Kearny 18-13.

The fighting Hilltoppers were no match for the Komets, rated high in the county standing. This taut and suspenseful game left the fans wide-mouthed and amazed.

The contest found the lead changing hands four times during the course of this gridiron battle. Kearny was all set to make it five times when time ran out for the defeated Komets.

With the odds three to one, this Komet didn't have a chance.

And one more Komet bites the dust with the help of three Lancers.

A good try, but no gain for this Komet.

HILLTOP SWAMPS MONTE VISTA

Little gain for this Monte Vistan as he's brought down by a fighting Lancer.

Hilltop's well-balanced backfield hit in every direction to wear down Monte Vista's endurance and romped to a 26 to 0 victory in a non-league game.

John Gambin ran for 84 yards, Don Parish for 106, Don Wilkinson for 73, and Jerry Hanano for 46, during the course of the game. These boys and Joe Stetser, who played a heads-up game, helped to contribute towards another Lancer victory.

KEEP THAT BALL! The Lancer gridmen don't give up too easily.

MAR VISTA

STOPS

HILLTOP

After three quarters of scoreless play, Mariner quarterback, Gary Chandler, moved the ball up to the one yard line on a pass to Bob Long and sent Dick Johanes across to break the ice, and start a rally Hilltop couldn't stop.

The entire first half was a scoreless, frustrating battle with the Mariners threatening to break the game open in the latter part of the second period. With a great defensive effort the undaunted Lancers held the game scoreless until the second half. The Mariners scored three times in the final quarter on three passes that sent Mar Vista in the scoring column, to take the game 20 to 0.

Stetser breaks away from one Mariner and evades two more.

Wilkinson is on the move with three Mariners on his trail.

LANCER VICTORY!!! This is a typical ending of many Lancer games.

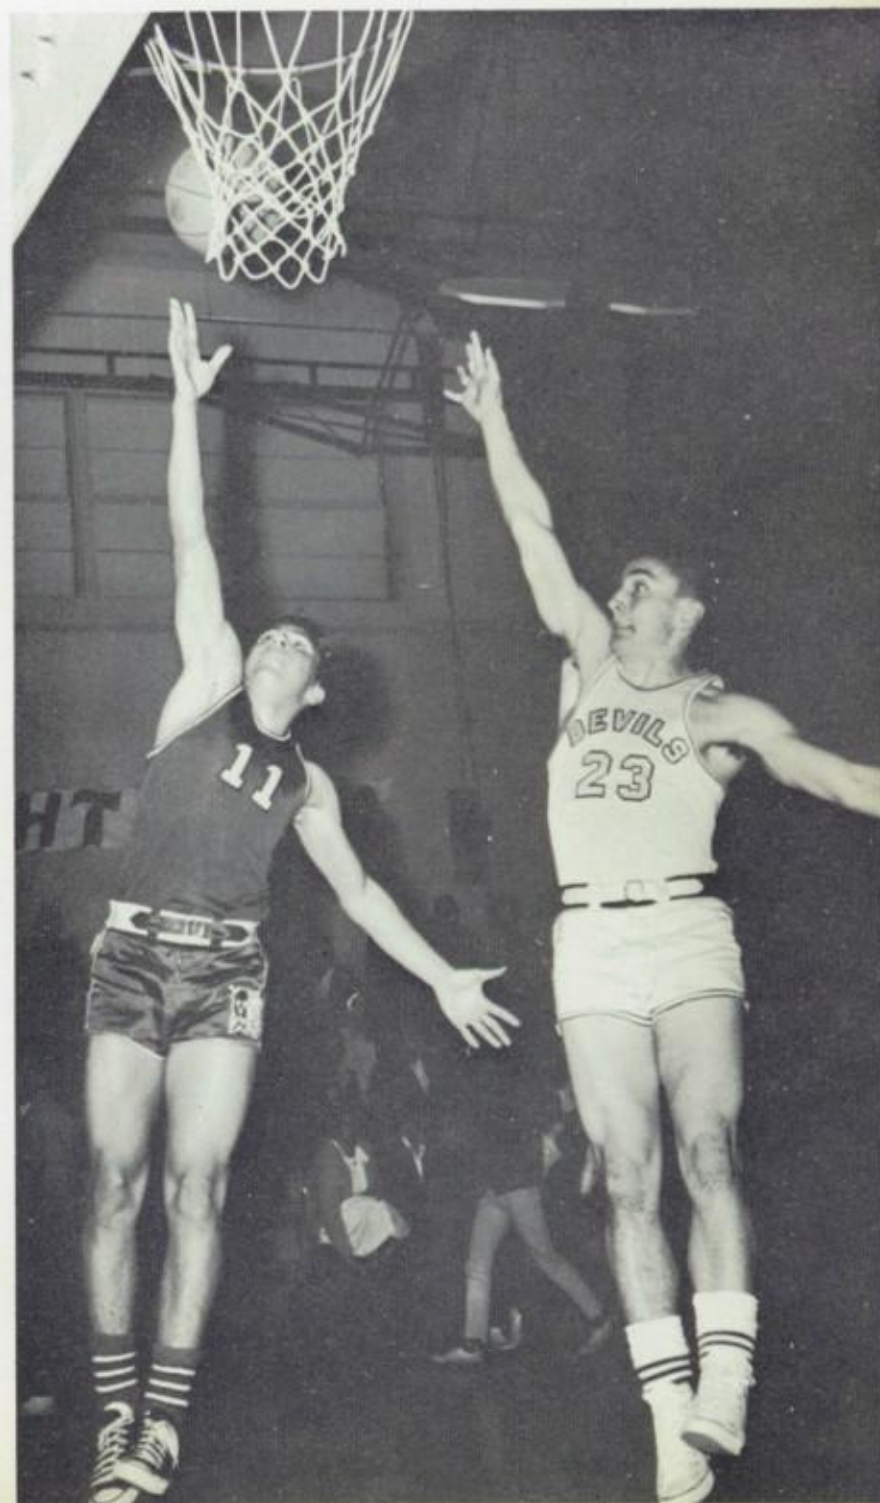

The 1962-63 basketball team is one of the finest Hilltop has ever produced. They have brought home the Metro Championship for Hilltop's third consecutive title.

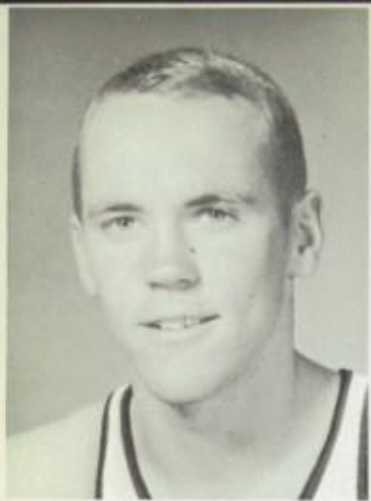

Workman lets loose with one of his outside shots while Gray sets up a screen.

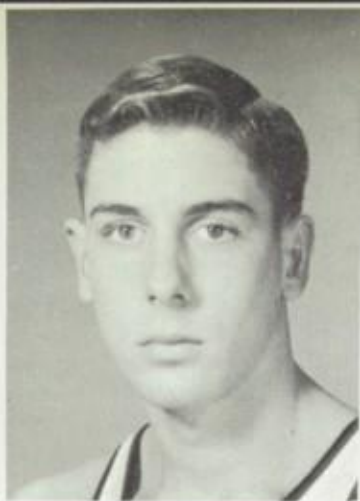

WHAT DO WE DO NOW, COACH?

Maple goes up for two while a Devil desperately tries to stop him.

HILLTOP BURIES CHULA

JOE SHOOT! Joe puts in another one for the Lancer team.

Hilltop fired in the game's first 10 points, then gradually widened its lead to whip Chula Vista 58-37, in the Metro League opener for both teams. A jam-packed crowd saw Hilltop score almost at will. Hilltop raced to a 15-4 lead in the first quarter and relaxed and coasted to victory.

Emo jumps like a gazelle for the ball as Joe and Fred look on.

Emo grabs the ball from a Spartan as Fred waits.

LANCERS TROUNCE COUGARS

The Lancer Cagers conquered the Cougars as the boys from the Hill had to fight for their lives in gathering a thrilling 60-51 victory from the Escondido quintet.

To gain the victory Hilltop had outplayed their adversaries in the exciting final period which saw both teams step onto the court with 36 points.

Fred drives for two despite the efforts of these four Sweetwater cagers.

Emo goes up while Don and Bob look on.

Don shoots after he fakes out a Cougar.

HILLTOP DOWNS DEVILS

Hilltop had no trouble in defeating second place Sweetwater; the Lancers racked up a huge lead and from then on the second and third stringers took over the show.

Bob goes up for one of his typical shots as Fred watches.

LANCERS SURPRISE SAINTS

Hilltop High outscored St. Augustine, 18-2, in the fourth quarter and walked away with a 48-38 victory over the top team in the county in a rough and tumble basketball game.

So violent was the fight for possession one coach was overheard telling a player not to get into the battle. "It's murder under there," he exclaimed. It was one of the most exciting games ever played in the Hilltop High Gym; the Lancers again were victorious.

MARINERS UPSET HILLTOP

Using fast break techniques, Fred drives for the basket while Don and Joe watch.

Joe puts in a jump shot as Fred awaits the rebound.

The Mar Vista Mariners upset the boys from the hill on a slight chance of receiving a CIF berth. Mar Vista's only chance of going to CIF was to beat the previously unbeaten Lancers. Jim Holt and his Mar Vista mates handed the Metro League Champions their first loss and prevented the possibility of Hilltop to become the first team in the league's history to finish the season undefeated. Mar Vista led 15-14, 27-21, 43-32, and the final score 59-52.

Don goes high in the air for a jumper as Fred blocks out his man in a battle for the boards.

HILLTOP

EDGES

SPARTANS

The Chula Vista squad rallied to make things interesting for the Lancers, but Hilltop remained cool to take the victory 46-43.

Bob shoots an under-the-basket shot as "Emo" and Fred rush up.

Don drives in for the hoop through three Spartans. Big Bob waits for the rebound.

Tim Heck fights for the ball in a tightly fought ball game. Terry Maple and Roger Buchhorn watch.

SAINTS

SLIDE PAST LANCERS

Saint Augustine beat Hilltop in the C.I.F. semi-finals, 48-47, in a thrilling, fast-moving game.

The first half was a see-saw battle with the Saints leading at the quarter and the half, 15-14 and 25-23 respectively. In the third quarter, however, the Saints took the lead and didn't relinquish it until the end.

With 1:23 left to play, the Lancers were down seven points. Fred Workman moved under the basket for two points, Terry Maple hit another on a jump shot, and Bob Gray dumped the final basket with :09 second left.

Joe goes for a layup between three Saints. He displayed this type of aggressiveness all season.

Don Parish goes in for one of the many layups that he made during the season. Fred Workman screens out a man enabling him to get the rebound.

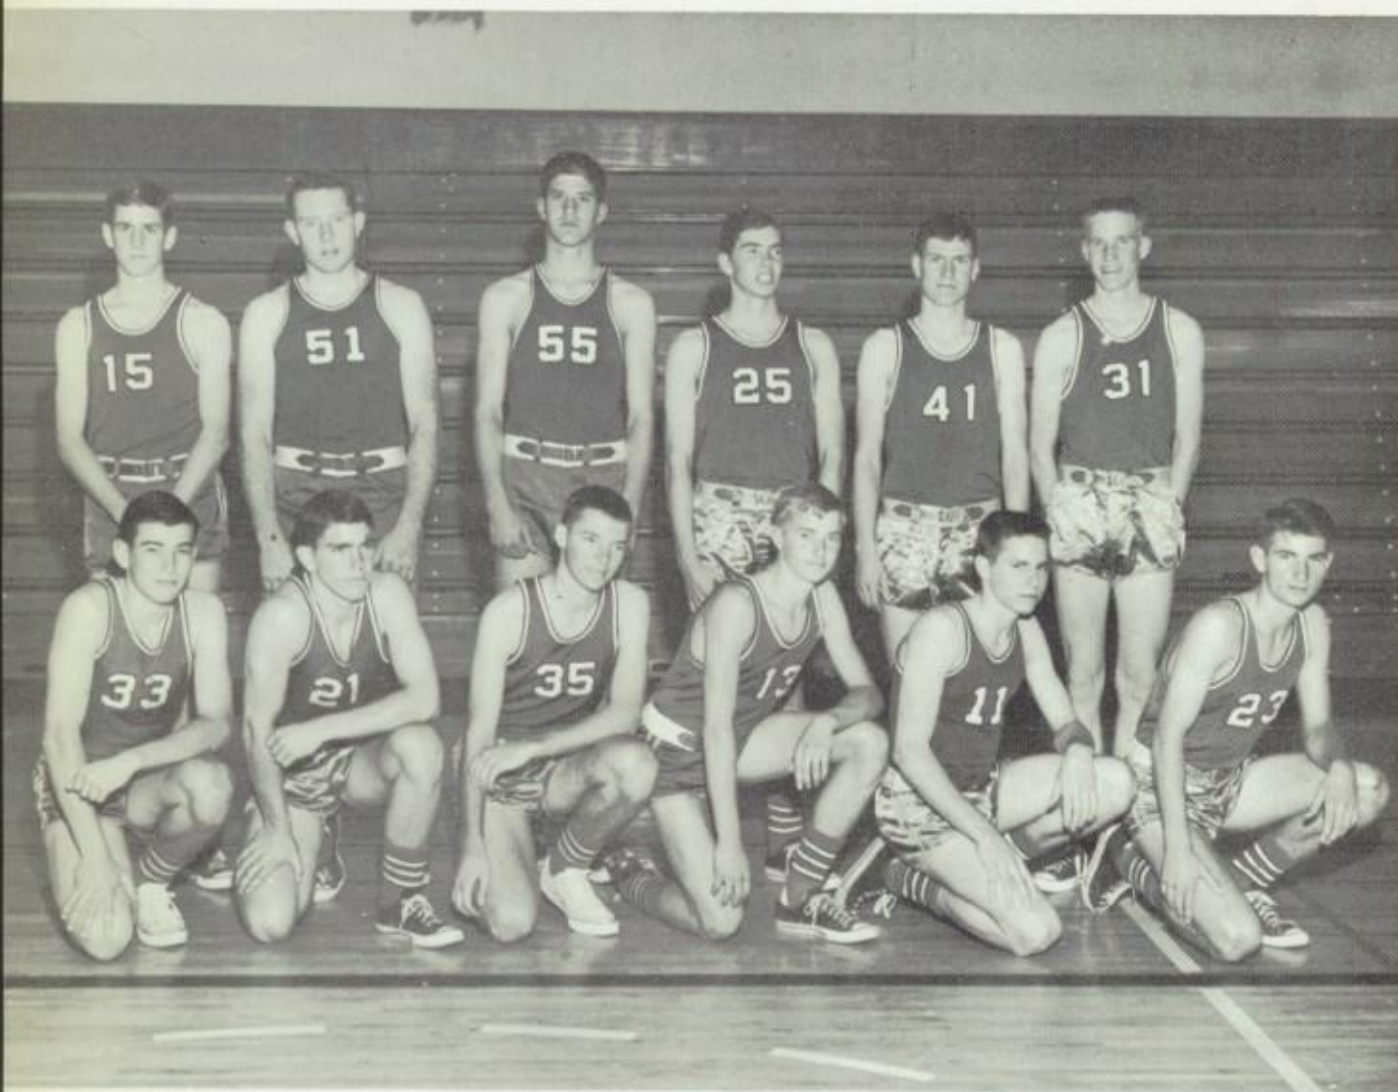

BUCCANEERS DROP HILLTOP INTO FOURTH

Mission Bay came on strong in the last quarter to overcome a narrow deficit and hand Hilltop its second defeat in the C.I.F. playoffs. Hilltop lasted as long as husky center Bob Gray stayed in the game. Bob Gray fouled out late in the fourth quarter and the three-point lead of Hilltop fell to the wayside as Mission Bay piled up a 57-47 victory.

Fred slips past two Bucs for the basket. Joe Stetser and Don are waiting.

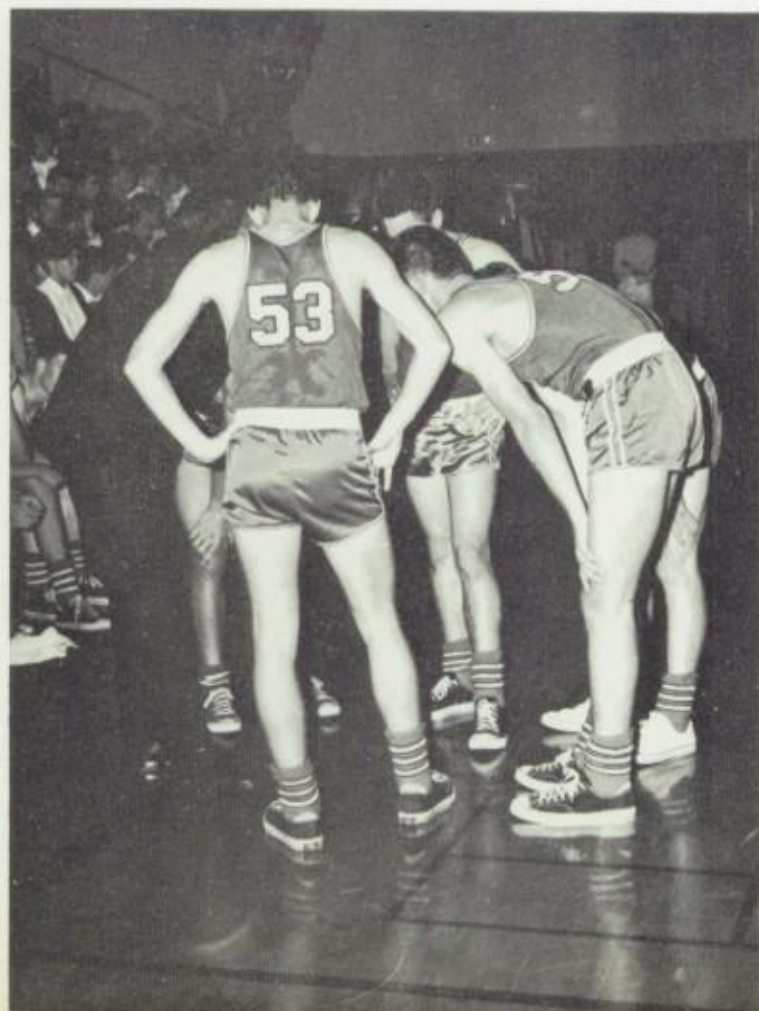

JUNIOR VARSITY BASKETBALL

Big Jim Stuckey captures the rebound against this Devil.

Losing their first game against Sweetwater, the Hilltop J.V.'s came back to beat their Metro League opponents. This demonstrated their improvement with the progression of the season.

Bruce Wilson shoots for two more.

Playmaker Jim Stobough makes two points for the Lancers.

SOPHOMORE BASKETBALL

Under the fine coaching of Mr. Tomlinson, the Lancer Sophomore Basketball team upheld its tradition of excellence as it captured the Metro League Championship. Through a combined team effort, the Sophomore cagers amassed an excellent season record of 10 wins and 2 losses.

Darrell Dunafon and John Link come in first and second respectively. Darrell was beaten only once in meets and his defeat came at the hands of John.

BASEBALL

Once again Baseball came along and found the Lancer nine ready and able to meet even the hardest foe. With many hours of hard work and practice behind them the fighting Hilltoppers worked hard through the season to bring home honor to Hilltop.

Another hit by Larry Arney sends the Lancers into the scoring column, as the Sweetwater game gets under way.

Mr. Long
Head Coach

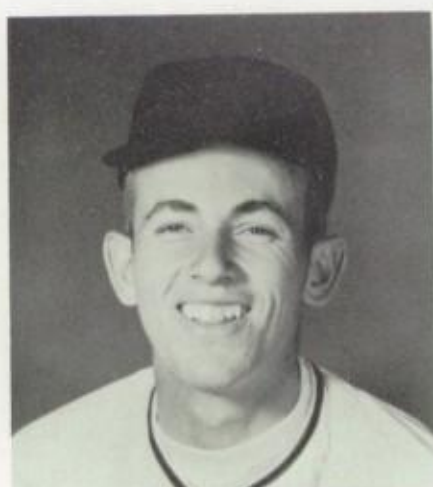

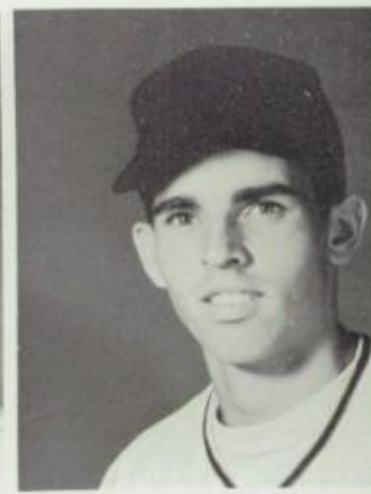

As spring approached so did Baseball season. Along with it came many victories for the fighting nine from Hilltop. To start the season off the Hilltoppers tromped Monte Vista 12-0. To keep the victory flag flying, we won our next two games 8-4 and 9-7. With a 3-0 standing, the Lancers started the Mount Miguel game with high hopes but lost 9-8 after nine breath-taking innings. But this didn't stop the Lancers. They went on to beat Helix 1-0—Mission Bay 6-0—Escondido 12-3 and Sweetwater 16-4. With a 7-1 standing the fighting Lancers took another victory from Mar Vista 5-1 as the annual went to press.

UNDERC

HERITAGE OF OPPORTUNITY

An inherent right of free people everywhere is the opportunity to advance. This right is accompanied by a constant striving for our betterment. Since the beginning of time, the citizens of the world have worked to improve their standard of living, their scope of knowledge, and their level of responsibility.

As the pages and squires of the Middle Ages labored to attain new heights, so too have the Underclassmen worked to earn the responsibility of advancement. During the Age of Chivalry, the goal was knighthood; today the goal is graduation.

It is to these Underclassmen that the responsibilities of Senior leadership are given. It is also to you that the administration looks for leadership and spirit. More importantly, your main responsibility is to uphold the traditions of Hilltop High School with dignity and vitality.

Mr. John Green, Junior Class Counselor, has busied himself throughout the year with the difficult task of not only guiding and advising the students, but also helping to plan and co-ordinate the numerous class activities.

In the course of the year, the juniors have prospered under the leadership of their officers. Dick, Shayne, Kay and Judy have spent many hours of working and planning, but their efforts have proved to be fruitful, and the year, a success.

The Junior-Senior Dance, one of the highlights of the year, was a memorable event for many of the Lancers. This annual event is sponsored by the juniors for the benefit of the graduating class.

This successful junior year will be a valuable stepping stone to the class of 1964 in the making of a productive and enjoyable senior year and future.

SOPHOMORES

With the largest class in the history of Hilltop High, the over 720 Sophomores upheld the traditions set for them by preceding classes. Big undertakings for the class this year were the two service projects aimed at helping needy families in the area. The Sophomore Class was also instrumental in sponsoring Project Amigos.

This year's Sophomores, numbering over 720, comprise the greatest Sophomore class in the history of Hilltop High School. These exuberant Lancers have carried on the traditional spirit with enthusiasm unmatched by any preceding Sophomore class, and have been vigorously active in campus activities and projects.

ADVERTISING

Commercial advertising is the backbone of American retail trade; it is the determining force affecting the health behind our national economy. Here, we see a portion of one of the largest retail projects ever undertaken in Chula Vista, the new Chula Vista Center. The picture is of the "Fountain of Peace," on the Center's Plaza de la Paz.

A dramatic sunset over a body of water. The sky is filled with large, dark clouds that are illuminated from below by the setting sun, creating a bright orange and yellow glow. The sun is a bright, glowing orb on the horizon. In the foreground, the dark, silhouetted outlines of a city skyline are visible, including several tall buildings. The water in the middle ground is dark and reflects the light from the sky.

EPILOGUE

As the sun sets and ends another day, another year draws rapidly to a close at Hilltop High. Finals and term reports are finished; books are turned in; report cards have been received.

We have begun the fight . . . and we have finished it—the year is over. Through the barren, silent halls we no longer hear the shouts and laughter and activity of 1800 bustling students . . . we stand in awe of the stillness. Books and lockers are closed for the summer—life ceases to hum on the once crowded grounds. The athletic fields

lie vacant . . . gaping, stripped classrooms stare at us from our position outside.

Yet, just as we know the sun is rising on another part of the world, proclaiming a new day, we also know that September will bring new Sophomores and jostling students to Hilltop, and the cycle of learning will begin again.

Through the halls we hear the faint strains of “All hail to Alma Mater . . .” floating over the stillness . . . the sun is setting here . . . our year has ended . . . but life will come again to “The Spirit of the Westland.”
